- If house plans or dimensions are provided, we will do a rough black and white design and estimate for free. These designs are estimated only and are not guaranteed for accuracy until a Southern Restoration employee measures the space.
- Measuring fees start at \$75 and are based on the complexity and quantity of the room/rooms.
- Design work rate is \$50/hour with a two hour minimum.
- Color renderings of Southern Restorations designs are \$30/hour for the time required to create the rendered images. This is optional and in addition to the standard design fees.
- All floor plans and designs are property of Southern Restorations and may not be taken without permission. Floor plans and designs may be purchased for a retainer fee. Fees are determined based on the complexity of the job.
- If cabinets are purchased through Southern Restorations, previously paid fees (with the exception of measurement fees) shall be deducted from the total cost of the project.
